- At the end of the examination, if the candidate/student wants to submit his/her answer script to any D.El.Ed. Institution for uploading, the candidate/student himself should put his signature on the top of the Answer script. In case of any dispute, the original signature of the candidate/student will be verified with the records and that will decide its authenticity.
- Under any circumstances, the websites for uploading the answer scripts will remain open till 3:30 pm and the websites will be disconnected sharp after 3:30 pm.

- If any candidate/student feels that he/she may not upload the answer script by 3:30 pm, he/she should approach the head of the D.El.Ed.
